TOUR DETAILS

TONGATAPU WEST COAST SCENIC TOUR

Experience the unique places of Tonga through a 3 hour scenic drive. There will be a brief photo stop at the 2 - headed coconut tree (amazing and one of a kind) before heading out along Tongatapu southern coastline to see the majestic blowholes at the village of Houma and flying foxes in the village of Kolovai - the home to hundreds of fruit bats. A stop at Abel Tasman Landing is also included.

KING'S ISLAND DAY-TRIP

King's Island is Tonga's most popular offshore resort. It is reachable by a 10-minute boat trip from Nuku'alofa. The island proudly boasts its pristine beach, an excellent swimming and snorkelling - a perfect location to unwind in paradise. Enhance your Tonga vacation with a 6-hour day trip to Pangaimotu Island, where you will have a plenty of time to relax on the sugar- white sands, swim in shallow turquoise waters or make a real splash while flying on a rope swing. The tour departs by 10.00am from Fua Wharf to the island of Pangaimotu. You can relax, swim and join in activities such as snorkelling, volleyball or beach walking. Along the edge of the small reef quite close to the beach were lots of colourful sponges, some coral and loads of tropical fish.
